**RE: Laboratory Records from LANL Test Wells 4 and 8**

Dear Mr. Daneman:

Per your request to Mr. Benito Garcia of the Hazardous and Radioactive Materials Bureau dated March 18, 1997, enclosed are laboratory analytical data packages from water samples collected at LANL which relate to Test Wells 4 and 8. Data is included from July 1993 to January 1997. Also included is a selected bibliography of sediment transport studies conducted at or near Los Alamos National Laboratory.

I apologize for the delay in providing you with this information. However, since these samples were collected by the DOE Oversight Bureau, we can more quickly respond if your requests for information are addressed directly to me or to this Bureau.

If you need more information, please contact me the DOE OB Site office located in White Rock, phone number 672-0448.

Sincerely,

*Stephen Yanicak*
