CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Ms. Bonnie Koch
Los Alamos National Laboratory
DOE/LAAO MS A316
Los Alamos, NM 87544

Dear Ms. Koch:

RE: Meeting Notes

The New Mexico Environment Department (NMED) Hazardous and Radioactive Materials Bureau (HRMB) appreciates the effort of the Department of Energy/Los Alamos National Laboratory (DOE)/(LANL) to familiarize HRMB with the information presented/discussed at any of our meetings. HRMB has no objection if LANL chooses to send a copy of their meeting notes for submittal to the HRMB files as a public record.

However, HRMB has been advised to no longer review and/or comment on any meeting notes. HRMB does not want the public to misconstrue that binding decisions have been made as a result of the review/comment process.

In addition, HRMB would also like to clarify that all past notes prepared by DOE/LANL and reviewed by the HRMB regarding meetings do not represent the position of HRMB.

If you have any questions concerning this letter, you may call me at (505) 827-1561 for more information.

Sincerely,

Robert S. (Stu) Dinwiddie, Ph.D., Manager
RCRA Permit Management Program, HRMB
