MEMORANDUM

TO: Stu Dinwiddie, NMED, Program Manager, HRMB
FROM: *SY* Steve Yanicak, LANL POC, DOE OB
DATE: March 19, 1998
SUBJECT: Preliminary ground- and surface-water data related to split-sampling and independent sampling at Los Alamos National Laboratory and surrounding areas during 1996 and 1997

The DOE Oversight Bureau (DOE OB) collected ground- and surface-water samples at Los Alamos National Laboratory and surrounding areas throughout 1996 and 1997, and the attached preliminary data and cover letter were submitted to the Department of Energy (DOE) on 2-12-98. The NMED Oversight Bureau currently grants the DOE a thirty (30) day review period to comment on all its data collected on DOE property under the Agreement-in-Principle between the State of New Mexico and the DOE. These data are currently being incorporated into a formal report that will be released during the 1998 calendar year.

Please feel free to contact Michael Dale at 672-0449 or Alice Mayer at 672-0447 if you have any questions concerning these data.

RE: Release of ground- and surface-water data related to split-sampling and independent sampling at Los Alamos National Laboratory and surrounding areas during 1996 and 1997

Dear Mr. Johansen:

The DOE Oversight Bureau (DOE OB) collected ground- and surface-water samples at Los Alamos National Laboratory and surrounding areas throughout 1996 and 1997, and the attached preliminary data are being submitted for your thirty-day review as stated in the Agreement-in-Principle Umbrella Protocol. After you have had the opportunity to review and comment on these data, they will be released to applicable agencies thirty(30) days following your receipt of this letter. These data are currently being incorporated into a formal report that will be released to DOE by the end of May, 1998. Contact Michael Dale at 672-0449 or Alice Mayer at 672-0447 if you have any questions concerning this matter.

Sincerely,

Steve Yanicak, LANL POC
Department of Energy Oversight Bureau
