SUBJECT: TEMPORARY CESSATION OF DOCUMENT REVIEW

Dear Dr. Dinwiddie;

The purpose of this letter is to request that the enclosed list of documents be temporarily removed from the New Mexico Environment Hazardous and Radioactive Materials Bureau's and Environmental Protection Agency (EPA) review cycle until further notice. This request is partially based on your suggestions during the Fee Regulation Task Force Meetings.

This request will allow us to consolidate documents to fully utilize the proposed 20 New Mexico Administrative Code §2.73/2.74 Fee Regulations and to review document content based on the criteria set forth in the Bureau's Document Requirement Guide dated March 4, 1998. Some of the submitted documents have been overtaken by events and some reports reflect work that was completed at risk.

You may provide your concurrence to this request by signing the space provided below and returning this letter to the Department of Energy at the address noted above. You may also forward your concurrence/non-concurrence with a letter. If you concur, we request that you also notify the EPA of your concurrence.

If you have any questions regarding this submittal, please contact Dave McInroy at (505) 667-0819 or Joe Mose at (505) 667-5808.

Sincerely,
