SUBJECT: DELEGATION OF SIGNATURE AUTHORITY

Dear Mssrs. Curry and Greene:

The purpose of this letter is to inform you of a change in signature authority for the University of California (UC). As Director of the Los Alamos National Laboratory (LANL) I have delegated to my Associate Director of Technical Services (ADTS), Carolyn A. Mangeng, and Principal Deputy Associate Director, Barbara A. Stine, the authority to sign all documents requiring certification under State and Federal Environmental Statutes and Regulations. Additionally, this authority is delegated to the Leaders of the Laboratory's Environmental Stewardship Division (ENV), Kenneth M. Hargis the ENV Division Leader and Douglas M. Stavert the ENV Deputy Division Leader, and to the Environmental Remediation and Surveillance Program (ERS) Manager David J. McInroy.

From this date forward, and until further notice, Carolyn A. Mangeng, Barbara A. Stine, Kenneth M. Hargis, Douglas M. Stavert, and David J. McInroy are delegated the authority to certify, review, approve and/or sign all documents pertaining to Environmental Permits and other such documents as required by New Mexico and Federal Statutes and Regulations on behalf of the University of California. This delegation of authority supersedes all previous delegations relating to environmental permits and compliance.

Sincerely,

Robert W. Kuckuck
Director
