John,

Here you go with the final list. The groupings are based on a principal component analysis. Let me know if you have any questions.

Thanks.
Ardyth

Ardyth,

When you get a chance could you provide a copy of the final list of background stations? There were several changes and I would like a "clean" copy of the list.

Thank you and have a wonderful day!

john

The Hazardous Waste Bureau will soon switch to a new phone system.
Around December 7th, 2006 my new contact information will be:

Phone: (505) 476-6038
Fax: (505) 476-6030
Main: (505) 476-6000
