Subject: Typo in January 6th approval letter for various groundwater documents

All,

We've noticed a typo in our letter dated January 3rd regarding the "Extension Request Approval for the Submittal of the Groundwater Background Report, Revised Well Screen Analysis Report and Pilot Well Rehabilitation Study Results."

This email clarifies that the Pilot Well Rehabilitation Study Initial Results is due March 16, 2007 rather than March 16, 2005 as indicated in the approval letter.

Let me know if you have any questions.
