Subject: Re: Confirmation of Groundwater Background Investigation Report Approval

Hai,

Thank you for this information. It's good to get the confirmation.

Ardyth,

Just let you know I confirmed with our management that the Groundwater Background Investigation Report has been automatically approved following your submittal of the revision 3 and response to NMED's March 23, 2007 Approval with Direction. NMED has no further requirements at this time. If you have any questions, please let John Young or me know.

Thanks and have a nice day.
