**Re:** List of Active SWMU/AOCs in S-Site Aggregate from Ann Sherrad (LANL)

---

The below information was derived from a conversation with Ann Sherrard earlier today regarding the S-Site "active" (in the PRS database) sites:

- 11-002 is currently INACTIVE
- 11-011(a) is currently active
- 11-011(b) is currently INACTIVE
- 11-005(a) is currently active
- 11-005(b) is currently active
- 11-011(d) is currently INACTIVE
- 16-026(f) is currently active

Ann did indicate that all of K-Site will be shut down within the next 3 years.

Thanks,  
Kim
