New Mexico Environment Department & New Mexico Community Foundation are hosting...

a series of “**listening sessions**” to better understand issues and perceptions residents of northern New Mexico have regarding **Los Alamos National Laboratory**.

By listening to peoples’ considerations – social, environmental, cultural, economic – NMED will be better able to address communities’ interests in its actions.

This will be the first of several gatherings in northern New Mexico.

Traducciones en Español estarán disponibles durante la Sesión

**Please attend and
have your voice
heard**
