Rebecca, Denise and All,

My apology for not getting back to everyone sooner. There was just no time.

My suggestion for the Taos meeting would be to have the local chapter of Peace Action, New Mexico help set it up. All of PA's meetings use the Kit Carson board meeting room, I think with a capacity of about 70 people. They have not confirmed their availability as of today but will by the of the week. Beryl Schwartz is the contact for Peace Action and I have cc'd her on this email. Or you could simply contact Kit Carson Co-op on your own. The 20th is the only day in Taos that will work for me.

I have a question, do you really think anyone can be in the RCRA negotiations in Santa Fe until 5PM and make it up to Taos by 5:00? I'm just curious as to what your plan is.

NMED should provide radio PSA's for KZRA and KTAO and flyers. I can also set up a morning interview on KTAO with Rebecca or James or ? and myself if you all are interested on either the morning of the event or on Friday the 14th. Let me know.

My suggestions are limited and only suggestions. I don't live in Taos so I have a limited perspective. If you would like more ideas about Taos I could put you in touch with other organizers that are even less conservative than I am.

Española- The 2nd and 4th are ok.
 Albq- I probably won't attend.
 Pojoaque- I may not attend.

Thank you for the opportunity to assist.

James,
 I agree about GW Day. For the Taos sessions, CCNS defers to the Taos groups.
 Best,
 Joni

Joni, I agree that we probably don't want to do Pojoaque or anywhere else after "GW Day", as we may want to be flexible concerning when we adjourn that day. I think we could have listening sessions (although there's a considerable amount of dialog, too, which is OK) after the negotiations on the 18th and 19th, since those days are just about going through comments.

Rebecca and Denise,
Thanks for the opportunity to comment:

Pojoaque - 10/29 - CCNS has a City Council meeting about LANL waste to the Caja del Rio landfill

10/30 - is groundwater day for the draft LANL RCRA permit. I don't know if we want to go to Pojoaque after that.

Taos - 11/18 and 11/19 again are negotiations for the draft LANL RCRA permit; 11/20 - CCNS probably won't attend

Espanola - your suggested dates look good for CCNS

ABQ - your suggested dates look good for CCNS

Let me know your final decisions and we'll put together a CCNS News Update about the upcoming Listening Sessions.
