Good morning Rebecca! Happy to hear that you had a good turn out and discussion at the Albuquerque session. Thank you for all of your dedication and hard work at organizing these sessions and informing the public about the important environmental issues they should be aware of. I will be happy to pass any feedback on to you and I appreciate you keeping the Senator's office informed as well.

I wish you all the best for the holidays and the new year!

Take care,

Good morning Janelle-

You're very welcome and not a problem about not coming the other night! We had a good turnout (about 23 people) and a very lively discussion mostly (regarding surface water). We have a bit of a reprieve form the Sessions till the spring when I plan to organize another round. But first we are planning on what to do with the information we have gathered. As soon as it is publicly available, I will be sure to get it to you and Senator Bingaman. I really do appreciate all the support from you and his office; it makes my efforts worthwhile knowing that something good is coming of all this.

Have a great holiday and fabulous New Year Janelle and we will be in touch. Please feel free to provide me with any feedback you may have on the Sessions.

Sincerely,
 Rebecca

Good afternoon Rebecca! I apologize for not sending this email sooner. Thank you so much for the letter! I have enjoyed the Sessions and I know that the meeting with James and Jeff went well; we just need to wait and see what the new Congress will do in January and the next year. Unfortunately, I will

not be able to attend tomorrow night's session in Albuquerque. I hope all goes well with the meeting and I look forward to working with you in the near future. Have a wonderful afternoon!
