Hi Cheryl-

Great to hear from you.

Ok, it looks like the Monday sessions from 3-5 are OUT for us. The 12-2 sessions work fine.

We are trying to get the LANL RCRA permit redrafted by March 27 so March is probably a bad time.

Any of the Mondays in April and May (except the 25<sup>th</sup> of course which is Memorial Day) work well. Let's shoot for one of those. You tell us as our schedules are very open right now.

We will wait to hear back from you.

Thanks for your persistence and talk to you soon.

Rebecca

Hi Rebecca -

Let's try this again.

The Santa Fe World Affairs Forum would like a speaker or speakers on environmental issues in northern New Mexico.

We usually meet on a Monday, with two sessions - one at lunch (12 - 2) and one later in the afternoon (3-5). We like to have an open discussion format: introductions around the table, a presenter for about 20 minutes and then discussion for the rest of the time. We try to keep the sessions to 20 people or fewer.

We will furnish lunch and snacks.

We have a speaker for February 23, but March, April and May are open. I am working with another possible speaker, so if you could send me several possible dates, that would be very helpful.

Regards,

Cheryl
