Mr. John E. Kieling, Bureau Chief
Hazardous Waste Bureau
New Mexico Environment Department
2905 Rodeo Park Drive East, Building 1
Santa Fe, New Mexico 87505-6303

Dear Mr. Kieling:

Subject: Hazardous Waste Treatability Study Reporting for Calendar Year 2013

The purpose of this letter is to report on hazardous waste treatability studies for calendar year (CY) 2013 for the Los Alamos National Laboratory (LANL), EPA ID NM0890010515. Reporting of treatability studies conducted during the previous calendar year is required annually by New Mexico Administrative Code, Title 20, Chapter 4, Part 1, Section 200 (20.4.1.200 NMAC) as revised March 1, 2009, (incorporating Title 40 of the Code of Federal Regulations [40 CFR] § 261.4(f)(9)).

There were no treatability studies conducted at LANL during CY 2013 and, at this time, there are no new treatability studies proposed for CY 2014. In the event that treatability studies are proposed for this year, a notice of intent to conduct a study will be prepared and submitted to your office at least 45 days prior to beginning the study, as required by 20.4.1.200 NMAC (incorporating 40 CFR § 261.4(f)(1)).

Please contact Mark Haagenstad at (505) 665-2014 of the Environmental Compliance Programs (ENV-CP) if you have questions.

Sincerely,

Anthony R. Grieggs
Group Leader
Environmental Compliance Programs (ENV-CP)
Los Alamos National Security, LLC

Mr. John E. Kieling
