 Subject: FW: Extraction Well CrEX-1 start up notification

Hai and Danny,

NMED's approval letter for the installation of CrEX-1 will be delivered to LANL and DOE soon. In the meantime, this e-mail serves as an approval to proceed with the installation of CrEX-1 as described in the CrEX-1 work plan (see: EP2014-0067). Please contact me at 231-5423 if you have questions concerning this issue.

Thank you,

Michael

 Subject: Extraction Well CrEX-1 start up notification

Michael,

This e-mail serves as notification that LANL will begin drilling activities at the chromium project extraction well CrEX-1 on or about June 26, 2014. Please feel free to contact me to confirm as the date gets closer.
