**Subject:** Town Hall meeting tomorrow in Los Alamos to discuss Accident Investigation Board findings

At 5:30 p.m. on Thursday, April 23, the Department of Energy will host a town hall meeting in Los Alamos at Fuller Lodge (2132 Central Ave.) to discuss the Accident Investigation Board findings from the Feb. 14, 2014, drum breach at the Waste Isolation Pilot Plant.

Members of the Accident Investigation Board will present the findings and answer questions.

The Los Alamos meeting will be broadcast live on radio stations KRSN 1490 AM and FM 107.1. It also will be audiostreamed live on the KRSN website at <http://www.krsnam1490.com>. Questions from listeners can be emailed to [toni.chiri@nnsa.doe.gov](mailto:toni.chiri@nnsa.doe.gov)

A video of the meeting will be posted to YouTube on Friday under the title *Los Alamos AIB Town Hall*

The Los Alamos town hall is the second of two public meetings following the AIB's release of its Phase II Report on the WIPP event. The first meeting took place last week in Carlsbad. The report is available at <http://energy.gov/em/waste-isolation-pilot-plant-wipp-recovery>.
