Re: Docket No. 880801
Docket No. 880801-A

Dear Ms. Laeser and Mr. Mitchell:

Enclosed please find a copy of the procedures that EID has developed for adjudicatory hearings under Section 74-4-10 NMSA 1978.

As EID now has developed proposed procedures, it is appropriate that DOE, the University and EID use them as the basis for the Section 74-4-10 hearing on Docket Nos. 880801 and 880801-A. I would like to discuss these procedures in detail if you have any arguments or questions about them.

Please call or write me by April 17, 1989 if you want to arrange a time to discuss them.

Sincerely,

GINI NELSON
Assistant General Counsel
