Re: Docket No. 880801  
Docket No. 880801-A

Dear Ms. Laeser and Mr. Mitchell:

Enclosed please find copies of the proposed Rules Governing Appeals From Compliance Orders Under the Hazardous Waste Act. While not yet formally proposed to the Secretary of the Health and Environment Department for promulgation, they are in final form for proposed promulgation. I invite your review and discussion of the rules for the DOE and University of California hearing. Please call if you have particular provisions that you want to discuss. If I have not heard from you by June 23, 1989, I will propose the Rules unilaterally to the Hearing Officer in the above-captioned matters.

Sincerely,  
  
Gini Nelson  
Assistant General Counsel
