Re: **Compliance Orders NMHWA; Docket Nos. 93-01, 93-02, 93-03 and 93-04**

Dear Ms. Laeser:

This letter confirms our telephone conversation of June 14, 1993. Respondents requested an eighteen (18) day extension of time to submit a remedial action plan and schedule approved by NMED. After reviewing the request, NMED determined to grant the extension until July 2, 1993. The parties have been working diligently towards settlement, and it is our understanding that these documents are almost finalized.

We believe this extension provides Respondents ample time to complete the remedial action plan and schedule, and would not anticipate a further request for an extension.

Sincerely,

SUSAN McMICHAEL  
Assistant General Counsel
