MEMORANDUM

SUBJECT: Alternate Schedule for Los Alamos Inspection
(Control 6H-682-93)

FROM: *for* Randall E. Brown, Chief 
RCRA Enforcement Branch (6H-C)

TO: Rebecca Weber, Chief
RCRA Programs Branch (6H-H)

The State of New Mexico Environment Department (NMED) has requested a nine month extension for taking enforcement action at Los Alamos National Laboratories. The inspection report for the Los Alamos multi media compliance inspection will not be available from NEIC until the middle of December.

We agree with NMED's justification for requesting a nine month extension to complete the case file and issue a complaint if appropriate. If you have any questions, please contact me at 5-6746 or have a member of your staff contact Barry Feldman at 5-7439.
