SEP 23 1994
COMPLIANCE ORDER
NMHSPA 94-12
NO. _____
BEFORE THE SECRETARY OF ENVIRONMENT

MOTION REQUESTING EXTENSION
OF TIME

COME NOW Respondents, the Department of Energy (DOE) and the Regents of the University of California (UC), and hereby move that the Hearing Officer grant to Respondents an extension of time until October 14, 1994, within which to comply with ordered action No. 2 of the above-captioned Compliance Order. As grounds for this Motion, Respondents state that representatives of Respondents will be meeting on October 4, 1994, with representatives of Complainant to discuss, among other issues, Respondent's development of a corrective action plan, responsive to ordered action No. 2, to address alleged deficiencies in Respondents' use of knowledge of process, and that submitting the corrective action plan on September 27, 1994, the date ordered in the Compliance Order, would be premature, given that the discussions that will occur on October 4, 1994, may affect the substance of the corrective action plan that is finally submitted. Respondents state that allowing the corrective action plan to be submitted on October 14, 1994, will enable Respondents to submit a document that is more fully responsive to ordered action No. 2, as it will enable Respondents to take into account

Counsel for Complainant concurs in this request for extension.

Respectfully submitted,
