Re: DP Tank Farm, Compliance Order No. 98-01

Dear Joe:

In accordance with your request, I enclose copies of all documents in the Underground Storage Tank Bureau's files regarding corrective action at the DP Tank Farm at Technical Area 21. I am still trying to obtain documents from the Surface Water Bureau, and hope to be able to provide you copies of any relevant documents maintained by the Surface Water Bureau by the end of this week.

In accordance with our telephone conversation yesterday, I am only including the cover letters to the Final VCA Completion Report and 45 Day Report, which LANL submitted and should have copies of. If you need complete copies of these documents please let me know.

Sincerely,

Nicholas F. Persampieri
