Dear Ms. Brinkerhoff:

**SUBJECT: REQUEST FOR EXTENSION AT <90 DAY ACCUMULATION AREAS**

The Los Alamos National Laboratory (LANL) requests a 30-day extension for the < 90-day hazardous waste accumulation areas at Technical Area 3, Building 1085, (Site ID #63). The ninety-day period ends on September 15, 2002.

Due to national security concerns the Laboratory has a moratorium on shipping waste until further notice. The Laboratory has 2 items that will exceed the 90 days due to this moratorium.

If you have any questions please contact Geri Rodriguez at 667-6259.

Sincerely,

James L. White
