RE: Extension of Time for Submission of LANL Annual Hazardous Waste Fees

Mr. Kieling:

The Purpose of this letter is to document our conversation earlier today, my subsequent e-mail concerning that conversation and our agreement to extend the deadline for the submission of the LANL Annual Hazardous Waste Fees for thirty (30) days. This would change the due date to August 31, 2004.

As we discussed LANL will probably not be able to comply with the deadline for the submittal of the Annual Hazardous Waste Fees, August 1, 2004. With the current suspension of work activities at LANL and my just having had you fax me a copy of the forms for this fee yesterday, I believe that it will take several more weeks to get the check issued and delivered to your offices. If it is at all possible LANL will get the check to you earlier than the end of August. In order to expedite future fee invoices if you would please copy me on them I will insure they receive prompt attention.

LANL appreciates your understanding of this difficult situation and your willingness to cooperate with us in finding an alternative solution.

Thank you,

Handwritten signature of Jack Ellvinger.
