INTENSIVE WATER QUALITY SURVEY REPORTS

By Watershed

Surveillance and Standards Section
Surface Water Quality Bureau
New Mexico Environment Department

Acquisition of Reports

Water quality surveys and technical reports are completed by the Surveillance and Standards Section in fulfillment of work plan commitments under U.S. Environmental Protection Agency grants. Any interested person may obtain one or more of these reports for a nominal charge of \$5.00 per report plus an additional charge of \$0.10 per page for photocopying plus \$2.00 for postage; hence, a 30-page report can be purchased for \$10.00 (\$5.00 + \$3.00 + \$2.00).

To order reports write to: Steven Pierce, Surveillance and Standards Section, Surface Water Quality Bureau, New Mexico Environment Department, 1190 St. Francis Drive, P.O. Box 26110, Santa Fe, New Mexico 87502. The order must include a check for the purchase price of the reports requested made payable to: State of New Mexico - NMED/SWQB.

An index appears on pages 18-21.
