RE: NM089010515

Dear Mr. Valencia:

The Environmental Improvement Division (EID) has decided to rescind its request for submission of your Post-Closure Care Permit Application. This decision is because the EID needs to complete reviews of the closure and/or post-closure plans that have been submitted. In addition, the Environmental Protection Agency (EPA) has decided to delay their request for submission of this permit application.

Should you opt to submit your application it will be reviewed as staff time allows.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Peter H. Pache'.
