Dear Mr. Crossman:

SURVEY-NPDES OUTFALL LOCATIONS, U. S. DOE, LOS ALAMOS

As discussed, I would like to postpone the NPDES Outfall Survey until a later date. Your suggestion for a late Spring '87 time frame would be more favorable and would allow the limited staff at the Laboratory to respond to the recent NOV. When a specific date is made by your staff, please contact my office and we will make the necessary arrangements.

Again thank you for your consideration in this matter.

Sincerely,

  
Harold E. Valencia
