Dear Mr. Phoenix:

Enclosed for your information is a draft of the RCRA operating permit which incorporates information from the November 1987 application and February 19 additional information input. I understand that your staff can be available to discuss this draft and the application information on March 10th. I will plan to be at the TA 50-37 controlled air incinerator conference room at 9AM on that date to discuss the draft. If this is not agreeable please choose another time and let me know of your choice.

Sincerely,

C. Kelley Crossman  
Permitting Supervisor
