Dear Mr. Valencia:

The EID has just received a cover letter that Los Alamos National Laboratory has submitted to EPA completed questionnaires for the National Survey of Hazardous Waste Generators. Because EID did not receive a copy of these completed questionnaires we are at this time requesting copies of this information. This request is made pursuant to Section 74.4.4.3. of the New Mexico Hazardous Waste Act, NMSA 1978.

Please submit this information within the next 30 days or EID will consider this a violation of the Act and respond accordingly.

Should you have any questions, please feel free to contact me. Also, please send your response to my attention.

Sincerely,

Boyd Hamilton
Acting Program Manager
