Dear Mr. Cordova:

Please convey to Ms. Gail Martinez of the Bataan Recreational Center staff my sincere appreciation for her assistance in preparing for the public meeting on September 16th concerning the Los Alamos National Laboratory hazardous waste permit. She had the room completely arranged by the time we arrived. Her forethought and friendly assistance were exceptionally professional. She and her staff should be commended for their efforts. Thank you for your assistance and hers.

Sincerely,

C. Kelley Crossman
