Dear Mr. Phoenix:

Enclosed for your information is a draft of the RCRA operating permit which incorporates information from the November 1987 application through the November 8, 1988 supplements. I will contact your staff next week to arrange a meeting to discuss this draft. If this is not agreeable please let me know. This is a draft and does not constitute approval of any item or attachment to this draft permit. I am providing this copy so that we can expedite the technical review process.

Sincerely,

C. Kelley Crossman
Permitting Supervisor
