Dear Mr. McCallum:

Enclosed is a copy of the Environmental Protection Agency's (EPA's) draft permit for Los Alamos National Laboratory (LANL). The EPA permit is part of the joint NMEID/EPA permit for hazardous waste incineration and storage at LANL. This document will require LANL to clean up over 600 past disposal sites.

Please make this document available for public review, in order that the public may make comments during our public comment period which ends August 24, 1989. Comments may be made in writing to:

Bill Gallagher, Chief
ALONM Permits Section
U.S. Environmental Protection Agency
1445 Ross Avenue
Dallas, Texas 75202-2733

Representatives of the U.S. EPA will be in Taos at 10:00 a.m., August 2, 1989, for a question and answer meeting with the public at the Coronado Council Chamber at 120 Armory Street.

The formal hearing for this draft permit will be held August 7, 1989, at 9:00 a.m. in the Harold Runnels Building, Santa Fe.

Sincerely yours,

WJG
