

115-92-4

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW MEXICO

UNITED STATES OF AMERICA and
REGENTS OF THE UNIVERSITY OF
CALIFORNIA,

Plaintiffs,

vs.

No. CIV 90-0276SC

STATE OF NEW MEXICO and
NEW MEXICO ENVIRONMENT
DEPARTMENT,

Defendants.

DEFENDANTS' UNOPPOSED MOTION TO EXCEED PAGE LIMITATION

Defendants State of New Mexico and the New Mexico Environment Department (collectively referred to as "state") move the Court for permission to exceed the page limitation contained in D.N.M. LR-CV 7.6. As grounds therefore, defendants state as follows:

1. Defendants intend to file their Response to Plaintiffs' Motion for Summary Judgment and their Memorandum in Support of Defendants' Motion for Summary Judgment in the same document.

2. Defendants will not exceed the combined page limit for both briefs as provided in D.N.M. LR-CV 7.6.

3. The issues involved in the response brief and the brief in support are essentially the same.

4. Judicial economy would be best served by permitting Defendants' to file a single brief.

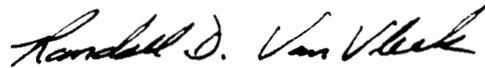

WHEREFORE, Defendants respectfully move that the Court permit them to file one brief in opposition to Plaintiffs' Motion for

Summary Judgment and in favor of their Motion for Summary Judgment
and to exceed the page limitation in D. N.M. LR-CV 7.6.

Respectfully submitted,

TOM UDALL
Attorney General

RANDALL D. VAN VLECK
