Mr. Jerry L. Bellows  
Area Manager  
Department of Energy  
Los Alamos Area Office  
Los Alamos, New Mexico 87544

Dear Mr. Bellows:

Thank you for your letter dated July 15, 1992. Your letter explains the moratorium imposed by the Department of Energy very clearly. Region 6 appreciates the position your facility finds itself in due to this moratorium for off-site shipment of certain wastes associated with Radioactive Materials Management Areas.

Los Alamos National Laboratory and the DOE must take the actions necessary to reconcile the DOE internal requirements to the regulations under RCRA and comply with RCRA regulations. Should you have any questions on this matter, please contact Nick Stone of my staff at (214) 655-2192.

Sincerely yours,

*Allyn M. Davis*
