Re: Requested extension of permit modification  
Los Alamos NM0890010515

Dear Mr. Vozella:

The Environmental Protection Agency (EPA) has reviewed you October 28, 1992 letter in which the Department of Energy (DOE) requested a 21 day extension for final submission of your permit modification which identifies all Solid Waste Management Units (SWMUs) subject to the Hazardous and Solid Waste Amendments Act (HSWA). Due to the extensive number of SWMUs involved in this modification, EPA is granting your request for an extension to November 20, 1992.

Should you have any questions or require additional information, please contact Barbara Driscoll of my staff at (214) 655-6785.

Sincerely,

William K. Honker, P.E.  
Chief  
RCRA Permits Branch (6H-P)
