Joseph C. Vozella, Acting Chief  
Environment, Safety and Health  
Branch  
Department of Energy  
Los Alamos Area Office  
Los Alamos, New Mexico 87544

1074 Permit  
Re: Request for Class III Permit Modification  
Los Alamos National Laboratory  
NM0890010515

Dear Mr. Vozella:

The Environmental Protection Agency has reviewed your request to apply for a Class III permit modification, and agrees that you may proceed with the appropriate procedures. The Agency contact should be listed as:

Barbara Driscoll  
RCRA Permits Branch (6H-PN)  
Environmental Protection Agency  
1445 Ross Avenue Suite 1200  
Dallas, Texas 75202-2733  
(214) 655-7441

Please provide evidence of publication and mailing of the public notice according to the provisions of 40 CFR §270.42(c). Should you have any questions or require additional information, please contact Barbara Driscoll at (214) 655-7441.

Sincerely,

Guanita Reiter, Acting Chief  
RCRA Permits Branch (6H-P)
