Re: U.S. Dept. of Energy Facility, Los Alamos -
Request for Documents

Dear Ms. Hoditschek:

Thank you for taking the time to speak with me over the telephone earlier today. As discussed, we are interested in obtaining copies of existing permits or permit applications related to past or future incineration of hazardous and mixed waste at the DOE facility in Los Alamos. You indicated that your office could provide us with these documents and could bill us for copying and shipping costs.

This letter serves as written request for these documents. If you have any questions or require any additional information, please do not hesitate to contact us.

Thank you for your time and consideration in this matter.

Very truly yours,

D. E. Cutugno
