Re: Extension of Public Comment Period of the Class III Permit
Modification for the HSWA Permit
Los Alamos National Laboratory, NM0890010515

Dear Mr. Vozella:

The public comment period for the Class III permit modification of the HSWA portion of the RCRA permit (Module VIII) ended on October 25, 1993. The Environmental Protection Agency (EPA) has reviewed and will grant your request for a thirty day extension of the public comment period. Public notice of this thirty day extension will be required, and the close of the public comment period shall be thirty (30) days after public notice. A copy of the public notice should be sent to EPA, as soon as possible.

Should you have any questions, please contact Barbara Driscoll at (214) 655-7441.

Sincerely,

David Meloy
