Re: Comments on Permit Modifications to LANL Hazardous Waste Facility Permit

Dear Mr. Dasheno:

This letter is to acknowledge receipt of your letter with comments dated November 22, 1993 regarding the proposed permit modification to the Los Alamos National Laboratory (LANL) RCRA Operating Permit. The modification as proposed is being sought by LANL in accordance with a signed Consent Agreement resulting from the following Compliance Orders: New Mexico Hazardous Waste Act (NMHWA), Docket No. 93-01, 93-02, 93-03, and 93-04. Your comments will be considered by the New Mexico Environment Department (NMED) in formulating a final decision pursuant to the New Mexico Hazardous Waste Management Regulations (HWMR-7) Section 901, 40 CFR 270.42(b). You will receive notification regarding NMED's final decision on this modification.

If you have further questions concerning this issue, you may contact Ms Stephanie Stoddard of my staff at (505) 827-4308.

Sincerely,

Barbara Hoditschek
Program Manager
RCRA Permits Program
Hazardous and Radioactive Materials Bureau
