Dear Mr. Winkle:

Pursuant to the requirements of 40 CFR 122.22 and 270.11, Signatories to Permit Applications and Reports, I hereby delegate authority to sign all reports required by permits and other information requested by the Director under the National Pollutant Discharge Elimination System (NPDES), and the Resource Conservation and Recovery Act (RCRA) to the following positions:

Please note that the Los Alamos Area Office previously delegated signatory authority for the NPDES Discharge Monitoring Reports to the University of California pursuant to Part III, Section D.11.(b) of the above-referenced permits.
