Dear Ms. Hoditschek:

Subject: Extension to 30-Day Response

As a follow-up to our meeting on May 23, 1995 with Stuart Dinwiddie of your staff, I am making a request for an extension until June 9, 1995 to submit the 30-day response to your Notice of Deficiency (NOD). That NOD concerns the proposed permit modifications to the Controlled Air Incinerator.

Due to the volume of information required by the NOD and the changes we discussed at our May 23, 1995 meeting, the additional time is necessary to complete this package.

We appreciate your understanding and cooperation in this matter.

Sincerely,

H. L. "Jody" Plum
