Dear Mr. Garcia:

This letter transmits a check in the amount of \$50,000.00 for payment of LANL's annual waste fee as required under the New Mexico Hazardous Waste Act. The fees were calculated according to the formulas specified in the Annual Hazardous Waste Fee Regulations (AHWFR-1), combining charges for the amount of waste generated and the type and total number of units operated by LANL for Calendar Year 1994.

As stated in AHWFR-1, Section 105, the above-mentioned fees, which are cumulative, are subject to the specified limits. Because LANL operated two facilities during 1994, the annual hazardous waste fee is subject to a limit of \$50,000.00. The enclosed Annual Hazardous Fee Schedules explains how the fees were calculated. AHWFR-1 requires that we submit this fee by August 1, 1995.

If you have any questions or would like to discuss this further, please contact me at (505) 665-5027, or Jody Plum of my staff at (505) 665-5042.

Sincerely,

*Benito E. Johnson for Joseph C. Vozella*
