**RE: Public Notice of Proposed Permit Modification for Off-Site  
Waste Acceptance for Treatment Residuals at Los Alamos  
National Laboratory**

Dear Ms. Rodriguez:

Please make the enclosed "Resource Conservation and Recovery Act" (RCRA) Proposed Permit Modifications, fact sheet and public notice available to the public from **March 10, 1997 to April 23, 1997**. Public Notice in the Albuquerque Journal and other newspapers state that these documents will be available at the LANL Community Reading Room in Los Alamos. You will be contacted to verify if you did in fact receive this transmittal and the above mentioned enclosures.

Please return this copy to the New Mexico Environment Department's Hazardous and Radioactive Materials Bureau at the above address after the comment period closes.

Your cooperation in this matter will be appreciated.

Sincerely,

  
Robert S. "Stu" Dinwiddie, Manager  
RCRA Permits Management Program
