**RE: Public Service Announcement**

Dear Sir or Madam:

If you have a free public service announcement policy, please announce over KUNM, between 7:00 a.m. and 9:00 p.m., **October 21 through December 4, 1998**, the following information:

**The New Mexico Environment Department is proposing to approve a No Further Action status through a Class 3 Permit Modification of the Resource Conservation and Recovery Act Permit to Los Alamos National Laboratory. The effects of the modification will be to remove ninety-nine Solid Waste Management Units from the RCRA Permit. Information regarding this proposed action is available for review through December 4 at the Environment Department in Santa Fe at 2044-A Galisteo and at the Los Alamos National Laboratory Community Relations Reading Room in Los Alamos at 1350 Central Avenue, Suite 101.**

**If you have comments on this proposed action or if you believe a public hearing should be held, contact John Kieling at 827-1558 or write the Environment Department at 2044-A Galisteo, Santa Fe, New Mexico, 87505 no later than December 4, 1998.**

We would appreciate as many public service announcements beyond the initial one as you may find suitable. Thank you for your assistance. If you have any questions, please contact Mr. John Kieling of my staff at 827-1558.

Sincerely,

Benito J. Garcia, Chief  
Hazardous and Radioactive Materials Bureau
