RE: Correction to the Letter Dated June 10, 1999
"Approval with Additional Comments
1996 Installation Workplan Response to Comments"
Los Alamos National Laboratory
NM0890010515

Dear Mr. Taylor and Mr. Browne:

The letter dated June 10, 1999 regarding the Approval with Comments of the 1996 Installation Workplan Response to Comment was determined to be in error: it incorrectly identifies the approved document in both the subject matter and in the text as the "1996 Installation Workplan." The document actually approved by this letter is the *1998 Installation Workplan* (referenced by LAUR-98-4101).

Should you have any questions regarding this letter, please contact me at (505) 827-1558 x1012 or Ms. Kim Birdsall-Hill at (505) 827-1558 x1048.

Sincerely,
