Dear Ms. Montoya:

Subject: Request an Extension for Three Invoices Issued to LANL

The purpose of this letter is to request an extension for three invoices issued to Los Alamos National Laboratory (LANL). LANL would like to request a thirty (30) day extension for invoice #s HWB-LANL-02-014, HWB-LANL-01-021, and HWB-LANL-00-009 all dated December 1, 2003.

This letter follows up the conversation you had with Luciana Vigil-Holterman on January 27, 2004. The need for an extension is due to difficulties with internal delivery. These difficulties resulted in a delayed receipt of the invoices by the organizations responsible for payment. Please contact Luciana at (505) 665-3435 if you have any questions regarding this request.

Sincerely,

Tony Grieggs
