

LANL Permit
5/8/06

NOTICE OF CLASS 1 MODIFICATIONS

The U.S. Department of Energy (DOE) and the University of California (UC) have submitted a Class 1 modification to change the Los Alamos National Laboratory (LANL) Hazardous Waste Facility Permit. This modification was submitted to the New Mexico Environment Department's Hazardous Waste Bureau on April 17, 2006. The permit modification changes the list of emergency coordinators within the Attachment D Contingency Plan of the permit. Table D-2 has been revised to update the names of emergency manager contacts.

This modification was prepared in accordance with the New Mexico Administrative Code, Title 20, Chapter 4, Part 1 (20.4.1.900 NMAC) (incorporating Code of Federal Regulations [CFR] , Title 40 § 270.42(a)(1)), revised October 1, 2003. These changes are necessary to reflect recent changes occurring within the LANL Emergency Management & Response Group. If you have any questions regarding this modification please contact Jack Ellvinger at (505) 667-0633 or jee@lanl.gov
