New Mexico Environment Department
2905 Rodeo Park Drive East, Building 1
Santa Fe, NM 87505

Dear Mr. Bearzi:

**SUBJECT: BUILDINGS OR FIXED STRUCTURES SCHEDULED TO BE
DEMOLISHED DURING FISCAL YEAR 2008**

The purpose of this letter is to submit a list of buildings or fixed structures scheduled to be demolished during fiscal year 2008 (October 1, 2007 through September 30, 2008). This information is required under the provisions of the Settlement Agreement and Stipulated Final Order (Agreement) signed April 10, 2007 between the New Mexico Environment Department (NMED), the United States Department of Energy (DOE), and Los Alamos National Security, LLC (LANS). This list is submitted to satisfy the requirements of Paragraph 21 subparagraph (b) of the Agreement.

The attached table describes the buildings or fixed structures scheduled for demolition, and for each: the historic uses and dates of operation; solid waste management units (SWMUs) or areas of concern (AOC) within 50 feet; categories of potential wastes generated or managed there; and the date or quarter in which the demolition is scheduled to begin.

Buildings TA-35-268, TA-35-269 and TA-35-270 were listed in previous reports as being scheduled for demolition. As these buildings are portable and excluded by the Settlement Agreement, they have been removed from the attached table.

Mr. James Bearzi
