RE: MODIFICATION TO THE MARCH 1, 2005 ORDER ON CONSENT FOR PROPOSED CHANGES TO THE FOOTNOTES IN TABLES XII-2 AND XII-3, LOS ALAMOS NATIONAL LABORATORY, EPA ID #NM0890010515

Dear Messrs. Winchell and Anastasio:

The New Mexico Environment Department (NMED) hereby provides this proposed modification to the March 1, 2005 Order on Consent (Consent Order). According to Section III.J of the Consent Order, the parties (Department of Energy, Los Alamos National Security, L.L.C. (collectively, the "Respondents"), and NMED) may modify any of the provisions of the Consent Order, provided any such modifications are in writing and signed by all parties. This modification consists of changes to the footnotes in Tables XII-2 and XII-3. Two footnotes in Tables XII-2 and XII-3 concerning "Notice Dates" for Corrective Measure Evaluations (CME) and Corrective Measure Studies (CMS) are inconsistent with the language in Section VII.D.7 of the Order. Removal of the footnotes eliminates a conflict between the tables in Section XII and Section VII.D.7 of the Order.

The proposed changes to Tables XII-2 and XII-3 clarify that Section VII.D.7 of the Order governs the Notice Dates for NMED approval of CME and CMS Reports. The proposed changes do not alter the schedule for investigation or cleanup (including corrective action), or any other

requirements of the Order. Removal of the footnotes also clarifies that public participation is conducted in accordance with 20.4.1.901 of the New Mexico Administrative Code (NMAC) and is not limited by the Notice Dates for document approval listed in the Order.

NMED requests that Mr. Anastasio sign the enclosed signature page, then forward it to Mr. Winchell. After his signing, please return the signature page to my office by May 30, 2008. This modification will become effective only when signed by all parties, at which time you will be provided a copy of the completed signature page and the finalized Consent Order Tables.

Should you have any questions, please feel free to contact me at (505) 476-6016.

Sincerely,

James P. Bearzi
