RE: CORRECTION
LIST OF DOCUMENTS SUBJECT TO STIPULATED PENALTIES UNDER THE
MARCH 1, 2005 CONSENT ORDER FOR FEDERAL FISCAL YEAR 2009

Dear Messrs. Gregory and McInroy:

On July 15, 2008, the New Mexico Environment Department (NMED) notified the U.S. Department of Energy and the Los Alamos National Security, L.L.C. (collectively, the "Respondents") of the list of documents to be subject to stipulated penalties under the March 1, 2005 Consent Order (Order). In the table entitled "Consent Order Stipulated Penalty Documents for Federal Fiscal year 2009", the required deliverable in item #6 is incorrectly identified. Because well PCI-2 is an intermediate well, no well completion report is required under the Order. Therefore, item #6 has been revised to state "Demonstration of PCI-2 Well Completion". The due date of May 29, 2009 will remain unchanged.

Should you have any questions, please feel free to contact me at (505) 476-6016.

Sincerely,

James P. Bearzi
Chief
Hazardous Waste Bureau

Messrs. Gregory and McInroy
